

2022 SCIENCE SPOTS FOR TOTS SPRING SCHEDULE

Admission

Members: \$5/child
\$3/additional child

Non-members: \$6/child
\$3/additional child

One accompanying adult is FREE!

We make learning
fun and interactive!

Tuesdays at 10:30 a.m.!

These classes are geared toward the 2-5 age group, but we welcome all ages. The activities are adaptable so that children of many ages and abilities can participate; and kids of all ages enjoy our fabulous exhibits and play areas! See the dates and topics to the right...we look forward to seeing you!
