

2023 Spring Schedule Science Spots for Tots

These classes are geared toward the 2-5 age group, but we welcome all ages. The activities are adaptable so that children of many ages and abilities can participate. All kids will enjoy our fabulous exhibits and play areas! We look forward to seeing you!

Members:
\$5/1st child & \$3 for each additional child.
Non-members:
\$6/1st child & \$3 for each additional child.
One accompanying adult is free.

*This includes admission to the museum for the day!

Tuesdays at 10:30 a.m.
